ABOUT DCIBIN

History

Destiny Changers International Bible Institute, then DCI School of Ministry (DCISOM), was founded and established in December 2015 by Rev. David Mensah Noah and Rev. Rosemary Koomson. The school opened its doors to the first round of students on Sunday, January 3rd, 2016 via phone conferencing. Its first instructors, Rev. Philip Akuaku Noah, and Rev. Rosemary Koomson, taught the enrolled students for 6 months in Christian Ministry. A couple of the students were ordained into ministry by the DCI Ministerial Network (DCIMN) in July and November 2016, upon completion of their ministerial training from the school. As a new and growing institution, then DCISOM, upgraded to a more functional and robust technologically driven educational platform to give students worldwide an online educational platform.

On July 1, 2017, the institution changed its name from DCI School of Ministry to Destiny Changers International Bible Institute (DCIBIN), with [official filings with the state of Ohio](#). It has officially graduated five class years; class of 2017, 2018, 2020, 2021 & 2022 since its name change. As a religious tertiary institution, we are not required by law to be accredited. However, the school is in the process of pursuing accreditation to give our students leverage in securing government financial aid and be able to transfer to or continue their education in other tertiary institutions.

Vision

Our vision is to equip those called into the five-fold ministry and church leadership with the knowledge and skill sets needed to instruct the word of God, transform lives, edify the body of Christ and live a life of integrity in and out of the pulpit.

Mission

Slogan

The school's motto is "Equip to Edify", and in most of the official documents, one will also read "Equipping to edify in the spirit of excellence", which highlights the school's motto and culture.

Foundational Scripture

"And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, 12 for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, 13 till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ;" **Ephesians 4:11-13 (NKJV)**

FINANCIAL OBLIGATION FOR 2024 - 2025

Making a personal investment into your call to ministry is worthwhile, knowing the knowledge, skill set and experiences you receive are a lifetime achievement. We have therefore made it easy and affordable for students to be able to pay for their tuition and fees through our Flexible Payment Plan (FPP). Students are able to set up a tuition installment payment plan (FPP) for 85% of their tuition within a twelve-month period.

We are unable to accept federal financial aid at this time, however, the school offers scholarship for students who need financial assistance. Also, the office of alumni manages a limited number of scholarships and sponsorship for students with financial needs. You can reach the alumni office by emailing alumni@dcibin.com for more information and assistance.

How to pay your tuition:

- Students are required to pay a minimum of 15% of their tuition upon enrollment and have the option of paying the remaining tuition within 90 days of enrollment if they opt for the lump sum option for paying their tuition in full.
- Students can also sign a Flexible Payment Plan (FPP) to pay the rest of their tuition (85%) within 12 months of enrollment.
- If a student receives a scholarship, it is only applied after the student has paid their part of the tuition owed. Scholarships are applied on a matching basis; the amount in scholarship is paid as the students pays their FPP. If the student drops out, any outstanding scholarship amounts will be cancelled, and the student will be responsible for the remaining balance of their tuition. Scholarships do not apply to application and graduation fees.
