

Rev. Rosemary Koomson
Pro-Chancellor & President of DCIBIN

I warmly welcome you to Destiny Changers International Bible Institute. We are a non-profit Christian Bible School with our corporate office in the state of Ohio, U.S.A and our international hub/headquarters in Accra, Ghana serving the African Region. DCIBIN was birthed out of the need to adequately prepare people in the five-fold ministry and to bring integrity to the work of God by it's founder Rev. David Mensah Noah & Co-Founder, Rev. Rosemary Koomson. I encourage you to take a closer look at our institution, as your next step in answering the call of God upon your life, the development of your Christian life and Ministry.

Rev. Rosemary Koomson

Vision: Our vision is to equip those who are called into ministry, so that they can effectively live a life of integrity in and out of the pulpit, instruct the word of God in our world and edify the body of Christ.

What to expect: At DCIBIN, you will develop effectiveness in leadership and ministry as you acquire more knowledge in the word of God and ministerial impartation from our ordained, licensed clergy and instructors. Students who graduate from our programs are empowered to make a difference in our society as they walk and operate in the spirit of excellence.

Welcome to DCIBIN

Training Module: Our affordable online/distance learning module makes our program accessible to all regardless of geographic location. Our cutting-edge technology enables our instructors to teach via phone and video conferencing which provides a conducive classroom environment to our students. You may connect via phone, laptop or tablet if you have internet access. The availability of training centers where students can attend class with a physical instructor or access to video conference is in the works.

Financial Responsibility & Assistance: Students must submit a \$50 non-refundable application fee with all the admission requirement paperwork. We require upfront 25% of program fees at the time of enrollment. This must be paid upon enrollment, before access is provided to your classes. We offer flexible payment plans (FPP), and a limited number of scholarships to students in need. We are unable to accept federal financial aid currently.

State of Ohio: Currently in the USA, there are 28 states including the state of Ohio that allows religious institutions like DCIBIN to operate and confer diplomas for the purposes of religious vocation without obtaining accreditation from the board of education. However, the institution's written materials must be marked with, "this institution is not certified by the board of regents of the state of Ohio."

Short Term Goals: DCIBIN is currently working on obtaining accreditations and member certifications from Christian commissioning agencies to enable our graduate students transfer diploma credits to pursue degrees in other higher learning religious institutions.

DCIBIN Academic Programs

DCIBIN comprises of three Schools and offers accelerated academic programs.

- A. SCHOOL OF MINISTRY (S.O.M)**
